Secretary of the Army Awards for Excellence in Contracting Awards

The Secretary of the Army Awards for Excellence in Contracting recognizes the outstanding achievements of contracting officers, units/teams and special awards. All Army commands; Army Service Component Commands; Direct Reporting Units; Program Executive Offices; and HQDA are encouraged to nominate eligible individuals, units or teams for competition at the Army level. There are three main categories: Outstanding Contracting Officer Awards, Unit/Team Awards, and Special Awards.

The Outstanding Contracting Officers Award will recognize civilian or military in six different categories: Installation Level Contracting Centers, Installation Level Directorate of Contracting, Systems Contracting, Logistics Support (Sustainment) Contracting, Specialized Services and Construction Contracting, and Contingency Contracting. The Unit/Team Awards will recognize outstanding achievements in four different categories: Installation Level Contracting Centers, Systems Contracting, Logistics Support (Sustainment) Contracting, and Specialized Services and Construction Contracting. The Special Awards are given for Outstanding Contract Specialist (military or civilian), Outstanding Procurement Analyst (military or civilian), the Ability One Program and Barbara C. Heald Award (civilian).
